Flax yarn used by TDB complies with the Masters of Linen's standards under the rules and regulations established by the CELC certifying and guaranteeing source and quality.

CELC stands for "European Confederation for linen and Hemp", with headquarters located in Paris and sponsored by CEE, it gets together industrial linen manufacturers to the ones TDB belongs.

The "Masters of Linen" trade mark is awarded to members under strict warranty of quality policies and searching, as an end result, to satisfy the final consumer.

The following are how TDB have named their collections for home decoration, keeping up to the top with market tendencies and innovation.

- Coffe-Harmony
- Fascination-Forum
- Mustard-Rock & Rose
- Artic-Mykonos
- Manhattan-White & white....
